The organization Us invites you to submit a presentation proposal for the Nguzo Saba 2010 Conference and Celebration marking the 45th Anniversary of the Nguzo Saba (The Seven Principles) and the organization Us. This historic conference will be held **September 24-26, 2010 in Los Angeles, California.**

For forty-five years, the organization Us and its principal institution, The African American Cultural Center, have promoted the values of the Nguzo Saba as a fundamental means of building and strengthening family, community and culture. The Nguzo Saba serve as a core vision and value orientation for thousands of institutions, programs and projects throughout the world African community.

We encourage proposals that address the use of the Nguzo Saba by persons, institutions and organizations for cultural grounding and value orientation in such diverse areas as public and community education, rites of passage and youth programs, spirituality and ethics, family and male/female relations, economic development, political organization, psychological well-being, creative production, community organization and institution-building. Please submit proposals for presentations within these areas to share your best practices and ideas with us.

Individuals interested in making a presentation, may send proposals to CTembo@Us-Organization.org or call (323) 299-6124 for more information.
